# MATIAS RAMON GODOY

At this moment, I rather acquire more experience for my personal and professional evolution. Working in a group team, and achieving goals individually and for the team, and getting through any obstacle learning any new work methodologies are my principal goals.

## PROFESSIONAL EXPERIENCE

july 2017 - Present **Seller**

[Original Penguin](#)

Client support, problem resolution at the moment, constantly getting knowledge in new selling methods. Charge management by Posnet and QuickPos. Excel spreadsheet creation and modification.

## EDUCATION

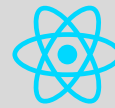

june 2021 - feb 2022 **FrontEnd Developer**

[CoderHouse](#)

In february 2022 I finished the FrontEnd Developer Career in CoderHouse. Well-versed in numerous programming languages including HTML5, CSS, SASS, Git, GitHub, JavaScript and reactJs
